PS Business Parks, Inc. announces the acquisition of a business park, the termination of a contract to dispose of properties in Beaverton, Oregon and a gain on sale of marketable securities.

Glendale, California – PS Business Parks, Inc. (AMEX: PSB) acquired a master-planned business park known as Orange County Business Center at a cost of approximately \$46 million on June 10, 2003. The acquisition was funded with the Company's existing cash and cash equivalents. The park consists of five low-rise multi-tenant office buildings (437,000 square feet). The Park is located in the Santa Ana suburb of Orange County and is approximately 73% occupied with 26% of the square footage expiring through December 31, 2003. The largest tenant is National Water and Power, which occupies 55,415 square feet or 13% of the Park. This acquisition expands the Company's presence in Orange County to 1.5 million square feet and its overall presence in Southern California to approximately 3.6 million square feet. The acquisition increases the Company's total square footage to 14.9 million rentable square feet.

Termination of contract to sell properties

The Company previously announced that it was under contract to sell five offices and flex buildings and a 3.5 acre parcel of land in Beaverton, Oregon with estimated net proceeds of \$34.5 million. The contract was terminated in May, 2003. The Company has not determined whether it will ultimately dispose of some or all of these properties.

Gain on sale of marketable securities

During the second quarter, the Company disposed of its marketable equity securities generating net proceeds of approximately \$7.6 million and a gain on sale of the securities of approximately \$2 million.

Company Information

PSB is a self-advised and self-managed equity real estate investment trust that acquires, develops, owns and operates commercial properties, primarily flex, multi-tenant office and industrial space. The Company defines "flex" space as buildings that are configured with a combination of office and warehouse space and can be designed to fit an almost limitless number of uses (including office, assembly, showroom, laboratory, light manufacturing and warehouse space). As of June 10, 2003, PSB wholly-owned approximately 14.9 million net rentable square feet of commercial space with approximately 3,300 customers located in eight states, concentrated primarily in California (5,110,000 sq. ft.), Texas (2,895,000 sq. ft.), Oregon (1,973,000 sq. ft.), Virginia (2,621,000 sq. ft.) and Maryland (1,646,000 sq. ft.).
