ANNUAL MEETING OF SHAREHOLDERS
May 2, 2011

GENERAL INFORMATION

We are providing these proxy materials in connection with the solicitation by the Board of Directors of PS Business Parks, Inc. of proxies to be voted at our 2011 Annual Meeting, and at any adjournment or postponement of the meeting. The proxies will be used at our 2011 Annual Meeting of Shareholders to be held on May 2, 2011 beginning at 10:00 a.m., local time, at the Hilton Glendale Hotel, 100 West Glenoaks Boulevard, Glendale, California.

This proxy statement contains important information regarding our annual meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information that you may find useful in determining how to vote and describes voting procedures. This notice of annual meeting and proxy statement is first being distributed and made available to shareholders on or about April 4, 2011 to holders of our common stock on March 10, 2011, the record date for our annual meeting. A copy of our Annual Report to Shareholders for the fiscal year ended December 31, 2010, which includes a copy of our Annual Report on Form 10-K, accompanies this proxy statement.

We use several abbreviations in this proxy statement. We refer to PS Business Parks, Inc. as “PS Business Parks,” “we,” “us,” “our” or “the company,” unless the context indicates otherwise. We refer to our Board of Directors as the “Board.”

Purposes of the Meeting:

- To elect eight directors from the nominees named in Proposal 1 to the Board of PS Business Parks;
- To ratify the appointment of Ernst & Young LLP as PS Business Park’s independent registered public accounting firm for the fiscal year ending December 31, 2011, as set forth in Proposal 2;
- To approve, in an advisory vote, executive compensation as set forth in Proposal 3;
- To recommend, in an advisory vote, the frequency of future advisory votes on executive compensation as set forth in Proposal 4; and
- To consider any other appropriate matters properly brought before the meeting or any adjournment or postponement of the meeting.

Recommendations of the Board of Directors:

The Board recommends that you vote:

- **“FOR”** the election of the eight nominees for director named in Proposal 1;
- **“FOR”** ratification of the appointment of Ernst & Young LLP as the company’s independent registered public accounting firm for fiscal year 2011 as set forth in Proposal 2;
- **“FOR”** the advisory vote to approve executive compensation as set forth in Proposal 3; and
- **“THREE YEARS”** as the frequency of future advisory votes on executive compensation as set forth in Proposal 4.

VOTING

Who May Attend the Meeting

Only shareholders of record of PS Business Parks common stock at the close of business on the record date of March 10, 2011 will be entitled to vote at the meeting, or at any adjournment or postponement of the meeting. On the record date, PS Business Parks had approximately 24,698,777 shares of common stock issued and outstanding, each of which is entitled to one vote.

If your shares are held in the name of a bank, broker, trustee or other nominee and you plan to attend our annual meeting, you will need to bring proof of ownership, such as a recent bank or brokerage account statement. A complete list of our shareholders entitled to vote at the annual meeting will be available for inspection at our executive offices during regular business hours for a period of not less than ten days before the annual meeting.

Voting Your Shares at the Annual Meeting

Voting shares in person at the annual meeting. Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares for which you are the beneficial owner but not the shareholder of record may be voted in person at the annual meeting only if you obtain a legal proxy from the bank, broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also vote by proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

Voting shares without attending the annual meeting. Whether you hold shares directly as the shareholder of record or through a bank, broker, trustee or other nominee as the beneficial owner, you may direct how your shares are voted without attending the annual meeting. There are three ways to vote by proxy:

- **By Internet** – Shareholders may submit proxies over the Internet by following the instructions on the accompanying Notice of 2011 Annual Meeting of Shareholders. Shareholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.
- **By Telephone** – Shareholders may submit proxies by telephone by calling the number on the accompanying Notice of 2011 Annual Meeting of Shareholders and following the instructions. Shareholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.
- **By Mail** – Shareholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed postage-prepaid envelope.

If additional matters are presented at the annual meeting. Other than the four items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Ronald L. Havner, Jr. and Joseph D. Russell, Jr., will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote any shares represented by your proxy for such other candidate or candidates as may be nominated by the Board.

Inspector of elections. The inspector of elections will be a representative from our transfer agent, American Stock Transfer & Trust Company.

Special Voting Procedures for PS Business Parks 401(k)/Profit Sharing Plan Participants. If you hold your shares as a participant in the PS 401(k)/Profit Sharing Plan, your proxy will serve as a voting instruction for the trustee of the plan with respect to the amount of common shares credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to your shares held in the plan, the trustee will vote those common shares in the manner specified. The trustee will vote any shares for which it does not receive instructions in the same proportion as the shares for which voting instructions have been received, unless the trustee is required by law to exercise its discretion in voting such shares. To allow sufficient time for the trustee to vote your shares, the trustee must receive your voting instructions by 9:00 a.m., Central time, on April 28, 2011.

Voting Mechanics. If you grant a proxy and do not revoke it before the applicable voting deadline, the persons designated as proxies will vote the common shares represented thereby, if any, in the manner specified. **If you grant a proxy but do not indicate how your shares should be voted on a matter, the shares represented by your properly completed proxy/voting instruction card will be voted (1) “For” the election of the Board’s nominees for director, (2) “For” the ratification of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2011, (3) “For” approval of executive compensation, (4) “Three Years” with respect to the frequency of future advisory votes on executive compensation and (5) and in the discretion of the proxy holders on any other matter that may properly come before the meeting.** The persons designated as proxies reserve full discretion to cast votes for other persons if any of the nominees for director become unavailable to serve and to cumulate votes selectively among the nominees as to which authority to vote has not been withheld.

Changing Your Vote. You may change your vote before the vote at the annual meeting in accordance with the following procedures. Any change to your voting instructions for the PS 401(k)/Profit Sharing Plan must be provided by 9:00 a.m., Central time, on April 28, 2011. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) by providing a written notice of revocation to the Corporate Secretary at PS Business Parks, Inc., 701 Western Avenue, Glendale, CA 91201-2349, prior to your shares being

voted, or by attending the annual meeting and voting in person. Attendance at the meeting alone will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in the name of a bank, broker, trustee or other nominee, you may change your vote by submitting new voting instructions to your bank, broker, trustee or nominee by 11:00 p.m., Pacific time, on April 29, 2011, or, if you have obtained a legal proxy from your bank, broker, trustee or other nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Quorum

The presence at the meeting in person or by proxy of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining whether a quorum exists.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If the shareholders present or represented by proxy at the meeting constitute holders of less than a majority of the shares entitled to vote, our meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Voting Rights

With respect to the election of directors, each holder of common stock on the record date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in the holder's name on the record date.

You may cumulate votes for directors by casting all of your votes for one candidate or by distributing your votes among as many candidates as you choose. However, no shareholder shall be entitled to cumulate votes for any candidate unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the annual meeting prior to the voting of the intention to cumulate the shareholder's votes. If you vote by proxy card or voting instruction card and sign your card with no further instructions, Ronald L. Havner, Jr. and Joseph D. Russell, Jr., as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you vote against or abstain from voting. Cumulative voting applies only to the election of directors. With respect to all other matters, shareholders can cast one vote for each share of common stock registered in their name on March 10, 2011, the record date of the annual meeting.

Required Vote

Election of Directors: The eight candidates who receive the most votes cast at the meeting will be elected directors of PS Business Parks. Common shares not voted (whether by abstention or otherwise) will not affect the vote.

Ratification of Independent Registered Public Accounting Firm: This proposal requires the affirmative vote of at least a majority of the shares represented at the meeting and entitled to vote. Abstentions will have the effect of a vote against this proposal.

Advisory vote to approve executive compensation: This proposal requires the affirmative vote of at least a majority of the shares represented at the meeting and entitled to vote. Abstentions will have the effect of a vote against this proposal. Although this proposal is not binding on the PS Business Parks Board of Directors, the Board will consider the results of the shareholder vote. Broker non-votes, if any, will have no effect on the outcome of this proposal.

Advisory vote on the frequency of future advisory votes on executive compensation: This proposal requires the affirmative vote of at least a majority of the shares represented at the meeting and entitled to vote. However, because shareholders are being asked to consider several choices, it is possible that no one choice will receive a majority vote. Abstentions will have the effect of a vote against the other several choices. Broker non-votes, if any, will have no effect on the outcome of this proposal. Although this resolution is not binding on the PS Business Parks Board of Directors, the Board will consider the results of the shareholder vote.

Proxy Solicitation Costs

We will pay the cost of soliciting proxies. In addition to solicitation by mail, certain directors, officers and regular employees of the company and its affiliates may solicit the return of proxies by telephone, personal interview or otherwise. We may also reimburse brokerage firms and other persons representing the beneficial owners of our shares for their

reasonable expenses in forwarding proxy solicitation materials to such beneficial owners. Alliance Advisors LLC may be retained to assist us in the solicitation of proxies, for which they would receive an estimated fee of \$1,000 together with normal and customary expenses.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Membership and Leadership

As of the date of this proxy statement, our Board has eight directors. As discussed below, six of our directors are independent in accordance with the rules of the New York Stock Exchange and the company's Corporate Governance Guidelines. We have separate individuals serving as Chairman of the Board and as Chief Executive Officer.

Ronald L. Havner, Jr., has served as Chairman of the Board since March 1998. He was Chief Executive Officer of PS Business Parks from March 1998 until August of 2003 when he resigned to become Chief Executive Officer of Public Storage, a self-storage real estate investment trust ("REIT"). Public Storage is our largest shareholder and owns approximately 23.4% of our outstanding common stock as of March 10, 2011. Mr. Havner's role as Chairman furthers his ongoing involvement with the business, and his in-depth knowledge of PS Business Parks operations and the real estate industry benefits the Board. Mr. Russell serves as Chief Executive Officer and is responsible for the day-to-day management and profitable growth of PS Business Parks.

PS Business Parks does not have a policy against one individual holding the position of Chairman and Chief Executive Officer. Rather, the Board evaluates the desirability of having a combined or separate Chairman and Chief Executive Officer from time-to-time and adopts a structure based on what it believes is in the best interests of PS Business Parks and its shareholders. Currently, the Board believes that having a separate Chairman and Chief Executive Officer is serving the interests of the company and its shareholders well.

In addition, the Board has established a position of independent presiding director, to provide for an independent leadership role on the Board. The independent director presides at meetings of all non-management directors in executive session without the presence of management. These meetings are held on a regular basis, generally following each regularly scheduled Board meeting and at the request of any non-management director. In addition, the independent directors meet separately at least once annually. These sessions are designed to encourage open Board discussion of any matter of interest without the Chief Executive Officer or any other members of management present. The sessions are chaired by the independent presiding director. The position of independent presiding director of these sessions generally rotates annually among the chairs of the standing committees of the Board. For 2011, R. Wesley Burns, Chairman of the Nominating/Corporate Governance Committee, is serving as the independent presiding director.

Board Responsibilities and Oversight of Risk Management

In connection with its oversight of risk to our business, the Board regularly considers management presentations on the company's operations and strategies and considers related risks to our business. As part of the Board's consideration, the Board and management actively engage in discussions of potential and perceived risks to the business. The Board routinely meets with the chief executive officer, the chief operating officer, the chief financial officer and other company officers as appropriate in the Board's consideration of matters submitted for board approval and risks associated with such matters.

In addition, the Board is assisted in its oversight responsibilities by the standing Board committees, which have assigned areas of oversight responsibility for various matters as described in the Committee charters and as provided in New York Stock Exchange rules. For example, the Audit Committee assists the Board's oversight of the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm and the performance of our internal audit function and independent registered public accounting firm. Pursuant to its charter, the Audit Committee

also considers our policies with respect to risk assessment and risk management. The Audit Committee also reviews various potential areas of financial risk in detail on a regular basis. The Compensation Committee oversees the compensation of our chief executive officer and other executive officers and evaluates the appropriate compensation incentives to motivate senior management to grow long-term shareholder returns without undue risk taking.

The Board and the Board committees hear reports from the members of management responsible for the matters considered to enable the Board and each committee to understand and discuss risk identification and risk management. The chairman of each of the Board's standing committees reports on the discussion to the full Board at the next Board meeting. All directors have access to members of management in the event a director wishes to follow up on items discussed outside the Board meeting.

Oversight of Compensation Risks. With respect to consideration of risks related to compensation, in March 2011, the Compensation Committee considered a report from management concerning its review of potential risks related to compensation policies and practices applicable to all of the company's employees. The Committee also considered and discussed with management, management's conclusion that the company's compensation policies and practices are not reasonably likely to have a material adverse effect on our company.

In connection with preparing the report for the Compensation Committee's consideration, members of our senior management team, including our Chief Executive Officer, reviewed the target metrics for all our employee incentive compensation plans. At the completion of the review, management and the Committee concluded that the incentive compensation plans did not create undue risks for the company based on factors, including the following:

- The company has fewer than 100 employees with incentive compensation, and development and approval of the compensation plans and payouts is centralized with the Chief Executive Officer.
- Financial targets for bonus arrangements typically involve several different metrics, which discourages employees from focusing on a particular financial metric to the detriment of others or of the business as a whole.
- The company's incentive plans have various controls built into the plans to help ensure that employees are motivated to achieve the desired short- and long-term company goals.
- Final approval of incentive compensation for employees other than executive officers is made by our Chief Executive Officer who has a comprehensive understanding of the inter-relationship of all incentive programs for nonexecutives.
- Our Chief Executive Officer has the discretion to reduce recommended awards for any reason, including if he determines that the performance was not in the company's long-term interests.
- We do not provide earnings guidance, which we believe discourages management from taking risks to achieve quarterly or annual earnings targets.
- The company historically has maintained a very conservative financial profile and is funded primarily with perpetual preferred and common shares and retained earnings rather than debt.
- Property acquisitions and developments are approved by the Board after discussion with management, which facilitates board oversight of management's plans to grow the business.
- All equity awards to employees vest over several years, which helps to align our employees' focus on long-term results.

As a result, we believe there is little motivation or opportunity for employees to take undue risks to achieve an incentive compensation award. Our review concluded that employees who are eligible for incentive compensation are properly incentivized to achieve short- and long-term company goals without creating undue risks for the company. Following completion of its review, members of our senior management discussed the results of management's compensation risk assessment with the Compensation Committee at a meeting in March 2011.

Board Meetings

The Board meets at regularly scheduled intervals and may hold additional special meetings as necessary or desirable in furtherance of its oversight responsibilities. As described above, the non-management directors generally meet in executive session without the presence of management in connection with each regularly scheduled board meeting. During 2010, the Board held eight meetings, the Audit Committee held four meetings, the Compensation Committee held five meetings and

the Nominating/Corporate Governance Committee held three meetings. During 2010, each director elected to the Board at the 2010 Annual Meeting attended at least 75% of the meetings held by the Board of Directors and, if a member of a committee of the Board of Directors, 75% of the meetings held by both the Board of Directors and all committees of the Board of Directors on which he or she served. Directors are encouraged, but not required, to attend the annual meeting of shareholders. All continuing directors nominated for election to the Board at the 2011 annual meeting attended the 2010 annual meeting.

Board Orientation and Education

Each new director participates in an orientation program and receives material and briefings concerning our business, industry, management and corporate governance policies and practices. Continuing education is provided for all directors through board materials and presentations, discussions with management and the opportunity to attend external board education programs.

Committees of the Board of Directors

Our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee. Each of the standing committees operates pursuant to a written charter. The charters for the Audit, Compensation and Nominating/Corporate Governance Committees can be viewed at our website at www.psbusinessparks.com/corpGov.html and will be provided in print to any shareholder who requests a copy by writing to the company's Secretary at PS Business Parks, Inc., 701 Western Avenue, Glendale, CA 91201-2349. The Board has determined that all members of the Audit, Compensation and Nominating/Corporate Governance Committees are independent directors under the rules of the New York Stock Exchange. In addition, all members of our Audit Committee are independent directors under the rules of the Securities and Exchange Commission ("SEC") for audit committees.

Our three standing committees are described below, and the committee members are identified in the following table:

<u>Director</u>	<u>Audit Committee</u>	<u>Compensation Committee</u>	<u>Nominating/Corporate Governance Committee</u>
R. Wesley Burns			X (Chairman)
Arthur M. Friedman	X (Chairman)		X
Jennifer Holden Dunbar	X	X	
James H. Kropp		X (Chairman)	X
Sara Grootwassink Lewis	X		
Michael V. McGee	X	X	
Number of meetings in 2010:	4	5	3

Audit Committee

The primary functions of the Audit Committee are to assist the Board in fulfilling its responsibilities for oversight of (1) the integrity of the our financial statements, (2) compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the independent registered public accounting firm and (4) the scope and results of internal audits, the company's internal controls over financial reporting and the performance of the company's internal audit function. Among other things, the Audit Committee appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; approves all other services and fees performed by the independent registered public accounting firm; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews its charter and performance.

The Audit Committee is comprised of four independent directors: Arthur M. Friedman (Chairman), Jennifer Holden Dunbar, Sara Grootwassink Lewis and Michael V. McGee. The Board has determined that each member of the Audit Committee meets the financial literacy and independence standards of the New York Stock Exchange. The Board has also determined that each member of the Audit Committee qualifies as an audit committee financial expert within the meaning of the rules of the SEC and the New York Stock Exchange.

Compensation Committee

The primary functions of the Compensation Committee as set forth in its charter are to (1) determine, either as a committee or together with other independent directors, the compensation of the company's Chief Executive Officer, (2) determine the compensation of other executive officers, (3) administer the company's equity and executive officer incentive

compensation plans, (4) review and discuss with management the Compensation Discussion and Analysis (“CD&A”) to be included in the proxy statement and incorporated by reference into the Annual Report on Form 10-K and to recommend to the Board inclusion of the CD&A in the Form 10-K and proxy statement, (5) provide a description of the processes and procedures for the consideration and determination of executive compensation for inclusion in the company’s annual proxy statement, (6) produce the Compensation Committee Report for inclusion in the annual proxy statement and (7) evaluate its performance annually.

Pursuant to its charter, the Compensation Committee has the authority to delegate its responsibilities to individual members of the committee or to a subcommittee of the committee. To date, the Compensation Committee has not delegated any of its responsibilities.

As required by the charter, during 2010, the Compensation Committee made all final compensation decisions for our named executive officers, including the named executive officers set forth in the Summary Compensation Table below. The Compensation Committee has the sole authority to retain outside compensation consultants for advice, but historically and for 2010, has not done so, relying instead on surveys of publicly available information for information about senior executive compensation at similar companies. For a discussion of the Committee’s use of survey information in 2010, as well as the role of Mr. Russell, our Chief Executive Officer, in determining or recommending the amount of compensation paid to our named executive officers in 2010, see the CD&A below.

The Compensation Committee is comprised of three directors: James H. Kropp (Chairman), Jennifer Holden Dunbar and Michael V. McGee. Each member is independent under the rules of the New York Stock Exchange.

Nominating/Corporate Governance Committee

The primary functions of the Nominating/Corporate Governance Committee are to (1) identify, evaluate and make recommendations to the Board for director nominees for each annual shareholder meeting and to fill any vacancy on the Board, (2) develop a set of corporate governance principles applicable to the company and to review and assess the adequacy of those guidelines on an ongoing basis and recommend any changes to the Board and (3) oversee the annual Board assessment of Board performance. The Nominating/Corporate Governance Committee will consider properly submitted shareholder nominations for candidates for the Board. See “Consideration of Candidates for Director” below. Other duties and responsibilities include periodically reviewing the structure, size, composition and operation of the Board and each Board committee; recommending assignments of directors to Board committees; conducting a preliminary review of director independence; overseeing director orientation; and annually reviewing evaluating its charter and performance.

The Nominating/Corporate Governance Committee is comprised of three directors: R. Wesley Burns (Chairman), Arthur M. Friedman and James H. Kropp. Each member is independent under the rules of the New York Stock Exchange.

Director Independence

The Board evaluates the independence of each director annually based on information supplied by directors and the company, and on the recommendations of the Nominating/Corporate Governance Committee. In making its determinations, the Board considers the standards for independence set forth in the requirements of the New York Stock Exchange rules. A director qualifies as independent unless the Board determines that the director has a material relationship with PS Business Parks, based on all relevant facts and circumstances, subject to the provisions of Section 303A.02(b) of the New York Stock Exchange Listed Company Manual. Material relationships may include commercial, industrial, consulting, legal, accounting, charitable, family and other business, professional and personal relationships, and the Board also considers the director’s relationships with Public Storage, the largest shareholder of PS Business Parks. Section 303A.02(b) provides that a director is not independent if:

- The director is, or has been within the last three years, an employee of PS Business Parks, or an immediate family member is, or has been within the last three years, an executive officer of PS Business Parks.
- The director has received, or has an immediate family member who has received, during any 12-month period within the last three years more than \$120,000 in direct compensation from PS Business Parks, other than director and committee fees.
- (1) The director is a current partner or employee of a firm that is PS Business Parks' external auditor (currently Ernst & Young LLP), (2) the director has an immediate family member who is a current partner of such firm, (3) the director has an immediate family member who is a current employee of such firm and personally works on PS Business Parks’ audit or (4) the director or an immediate family member was within the last three years a partner or employee of such firm and personally worked on PS Business Parks’ audit within that time.

- The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of PS Business Parks' present executive officers at the same time serves or served on that company's compensation committee.
- The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, PS Business Parks for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

The Nominating/Corporate Governance Committee annually reviews directors' responses to a questionnaire asking about their relationships with the company (and those of immediate family members) and other potential conflicts of interest, as well as material provided by management related to transactions, relationships or arrangements between the company and directors and their immediate families. Based on its review in February 2011, the Nominating/Corporate Governance Committee recommended to the Board and the Board determined that (1) each member of the Board, other than Ronald L. Havner, Jr. and Joseph D. Russell, Jr., and (2) each member of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee is independent pursuant to the rules of the New York Stock Exchange and each Audit Committee member meets the additional independence requirements of the rules of the SEC. Mr. Russell was determined not to be independent because of his status as Chief Executive Officer and President of PS Business Parks. Mr. Havner was deemed not independent because Mr. Havner is a current trustee and Chief Executive Officer and President of Public Storage. Relationships between Public Storage and PS Business Parks are described on page 32.

Compensation of Directors

General Compensation Arrangements. The Compensation Committee of the Board periodically reviews the company's non-employee director compensation and makes recommendations for any changes to the Board, which makes the final determination as to director compensation. The Board has approved the mix of cash and equity compensation described below.

Retainers and Meeting Fees. Retainers are paid in cash quarterly and are pro-rated when a director joins the Board other than at the beginning of a calendar year. During 2010, each non-employee director was entitled to receive the following retainers and meeting fees for Board and Board committee service:

- An annual retainer of \$25,000 paid quarterly.
- A Board meeting fee of \$1,000 for each meeting attended in person and \$500 for each telephonic meeting.

Equity Awards. Each new non-employee director is, upon the date of his or her initial election by the Board or the shareholders to serve as a non-employee director, automatically granted an option to purchase 10,000 shares of common stock that vests in five equal annual installments beginning one year from the date of grant, subject to continued service.

Annually, each non-employee director receives a non-qualified stock option to purchase 2,000 shares of common stock of the company, that vests in five equal annual installments beginning one year from the date of grant based on continued service. The annual grants are made immediately following the annual meeting of shareholders at the closing price for the company's common stock on the New York Stock Exchange on such date.

Retirement Stock Grants. Each non-employee director of the company receives, upon retirement as a director of the company, 1,000 shares of fully-vested common stock for each full year of service as a non-employee director of the company, up to a maximum of 5,000 shares. At December 31, 2010, Messrs. Consideration of Candidates for Director

Shareholder recommendations. The policy of the Nominating/Corporate Governance Committee to consider properly submitted shareholder recommendations for candidates for membership on the Board is described below under "Identifying and Evaluating Nominees for Directors." Under this policy, shareholder recommendations may only be submitted by a shareholder entitled to submit shareholder proposals under the SEC rules. Any shareholder recommendations proposed for consideration by the Nominating/Corporate Governance Committee should include the nominee's name and qualifications for Board membership, including the information required under Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and should be addressed to: Edward A. Stokx, Secretary, PS Business Parks, Inc., 701 Western Avenue, Glendale, California 91201-2349. Recommendations should be submitted in the time frame described in this proxy statement under "Deadlines for Receipt of Shareholder Proposals for Consideration at 2012 Annual Meeting" on page 32.

Director Qualifications. Members of the Board should have high professional and personal ethics and values. They should have broad experience at the policy-making level in business or other relevant experience. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. In general, the Board seeks to add directors who meet the independence requirements of the New York Stock Exchange rules. In addition, director candidates must submit a completed director questionnaire concerning matters related to independence determination, the determination of whether a candidate qualifies as an audit committee financial expert and other proxy disclosure matters and must satisfactorily complete a background investigation by a third-party firm.

Directors are expected, within three years of election, to own at least \$100,000 of common stock of the company, determined using the acquisition price.

The Nominating/Corporate Governance Committee of the Board is responsible under the company's Corporate Governance Guidelines for reviewing with the Board the skills and characteristics required of Board members in the context of the current make-up of the Board. This assessment includes directors' qualifications as independent, as well as consideration of skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision and experience, all in the context of an assessment of the perceived needs of the Board at that time.

The Board has delegated to the Nominating/Corporate Governance Committee responsibility for recommending to the Board new directors for election. Although the Nominating/Corporate Governance Committee does not have and does not believe there is a need for a formal policy concerning diversity, it seeks to ensure that a diversity of experience and viewpoints are represented on the Board and is also guided by the principles set forth in the Committee charter that each director should:

- Be an individual of the highest character and integrity;
- Have substantial experience which is of particular relevance to PS Business Parks;
- Have an understanding of the business environment and industry in which PS Business Parks operates;
- Have sufficient time available to devote to board affairs;
- Represent the best interests of all stakeholders, including the company's shareholders;
- Have his or her skill set complement the skill set of the other PS Business Parks directors; and
- Be able to read and understand financial statements.

There are no other policies or guidelines that limit the selection of director candidates by the Nominating/Corporate Governance Committee, and the Committee and the Board have and exercise broad discretion to select director candidates who will best serve the Board and PS Business Parks in the current and anticipated business environment.

Identifying and Evaluating Nominees for Directors. The Nominating/Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating/Corporate Governance Committee regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Corporate Governance Committee considers various potential candidates for director.

Candidates may come to the attention of the Nominating/Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Nominating/Corporate Governance Committee and may be considered at any point during the year.

As described above, the Nominating/Corporate Governance Committee considers properly submitted shareholder nominations of candidates for the Board in the same manner as other candidates. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating/Corporate Governance Committee prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a shareholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee may also review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a

shareholder. In evaluating such nominations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Communications with the Board of Directors

The company provides a process by which shareholders and interested parties may communicate with the Board of Directors. Any shareholder communication to the Board should be addressed to: Board of Directors, c/o Edward A. Stokx, Secretary, PS Business Parks, Inc., 701 Western Avenue, Glendale, California 91201-2349. Communications that are intended for a specified individual director or group of directors should be addressed to the director(s) c/o Secretary at the above address, and all such communications received will be forwarded to the designated director(s).

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines to set forth its guidelines for overall governance practices. The Guidelines are available on the company's website, www.psbusinessparks.com, or, upon written request, a paper copy is available from the company's Investor Services Department, 701 Western Avenue, Glendale, California 91201-2349.

Business Conduct Standards and Code of Ethics

The Board of Directors has adopted a code of Business Conduct Standards, applicable to directors, officers, and employees, and a Directors' Code of Ethics. The Board has also adopted a Code of Ethics for its senior financial officers. The Code of Ethics for senior financial officers covers those persons serving as the company's principal executive officer, currently Joseph D. Russell, Jr., and principal financial officer and principal accounting officer, currently Edward A. Stokx.

The PS Business Parks' Business Conduct Standards, the Directors' Code of Ethics and the Code of Ethics for senior financial officers are available on the company's website, www.psbusinessparks.com, or, upon written request, a paper copy is available from the company's Investor Services Department, 701 Western Avenue, Glendale, California 91201-2349. PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP as the company's independent registered public accounting firm for the fiscal year ending December 31, 2011.

The company's bylaws do not require that shareholders ratify the appointment of Ernst & Young LLP as the company's independent registered public accounting firm. The company is asking its shareholders to ratify this appointment because it believes that shareholder ratification of the appointment is a matter of good corporate governance. If shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP as the company's independent registered public accounting firm, but may nevertheless determine to do so. Even if the appointment of Ernst & Young LLP is ratified by the shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of PS Business Parks and its shareholders.

Representatives from Ernst & Young LLP, which has acted as the independent registered public accounting firm for the company since the company's organization in 1990, will be in attendance at the 2011 annual meeting and will have the opportunity to make a statement if they desire to do so and to respond to any proper questions.

Policy to Approve Ernst & Young Services. The Audit Committee has adopted a pre-approval policy relating to services performed by the company's independent registered public accounting firm. Under this policy, the Audit Committee of the company pre-approved all services performed by Ernst & Young LLP during 2010, including those listed in the previous table. The Chairman of the Audit Committee has the authority to grant required approvals between meetings of the Audit Committee, provided that any exercise of this authority is presented at the next committee meeting.

Your Board of Directors recommends that you vote "FOR" the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm.

Audit Committee Report

The Audit Committee consists of four directors, each of whom has been determined by the Board to meet the New York Stock Exchange standards for independence and the SEC's requirements for audit committee member independence. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee's charter may be found on the company's website at psbusinessparks.com/corpGov.html.

The Audit Committee's responsibilities include appointing the company's independent registered public accounting firm, pre-approving audit and non-audit services provided by the firm and assisting the Board in providing oversight to the company's financial reporting process. In fulfilling its oversight responsibilities, the Audit Committee meets with the company's independent registered public accounting firm, internal auditors and management to review accounting, auditing, internal controls and financial reporting matters.

It is not the Audit Committee's responsibility to plan or conduct audits or to determine that the company's financial statements and disclosures are complete, accurate and in accordance with U.S. generally accepted accounting principles and applicable laws, rules and regulations. Management is responsible for the company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and necessarily relies on the work and assurances of the company's management and of the company's independent registered public accounting firm.

In this context, the Audit Committee has met with management and with Ernst & Young LLP, the company's independent registered public accounting firm, and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as modified or supplemented.

The company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by the applicable rules of the Public Company Accounting Oversight, and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. In addition, the Audit Committee has considered whether the independent registered public accounting firm's provision of non-audit services to the company is compatible with the firm's independence.

During 2010, management documented, tested and evaluated the company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and SEC regulations adopted thereunder. The Audit Committee met with representatives of management, the internal auditors, legal counsel and the independent registered public accounting firm on a regular basis throughout the year to discuss the progress of the process. At the conclusion of this process, the Audit Committee received from management its assessment and report on the effectiveness of the company's internal controls over financial reporting. In addition, the Audit Committee received from Ernst & Young LLP its attestation report on the company's internal control over financial reporting. The Audit Committee reviewed and discussed the results of management's assessment and Ernst & Young's attestation.

Based on the foregoing and the Audit Committee's discussions with management and the independent registered public accounting firm, and review of the representations of management and the attestation report of the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the company's Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the SEC. The Audit Committee also approved the appointment of Ernst & Young LLP as the company's independent registered public accountants for the fiscal year ending December 31, 2011 and recommended that the Board submit this appointment to the company's shareholders for ratification at the 2011 Annual Meeting.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

2010 Executive Compensation Highlights

2010 Company Performance. Despite the continued challenging economic conditions in the commercial real estate industry in 2010, the PS Business Parks' management team drove solid results. At the end of 2010, total shareholder return for the year was 14.9%.

Other 2010 company performance highlights include:

- Year-over-year same park occupancy grew from 90.4% to 91.5% as we leased 6.1 million square feet;
- We acquired 2.3 million additional square feet, primarily in the strong Washington, D.C. metro and Texas areas, positioning us for future growth;
- We grew our business through acquisitions while maintaining our conservative financial profile;

- We issued new preferred shares at lower dividend rates than securities we redeemed during the year, lowering our average preferred share dividend rate; and
- Standard & Poor's upgraded our credit rating to an investment grade credit rating.

2010 Executive Compensation. Although 2010 continued to be a challenging year for commercial property owners, our management team continued to focus on growing the company to take advantage of any turnaround in the economy. In March 2010, the Compensation Committee met and considered the appropriate targets to incentivize senior management for 2010 performance in light of anticipated difficult market conditions and determined the threshold for payment of senior executive bonuses would be company achievement of targeted levels of funds available for distribution ("FAD") adjusted for certain items, as described below. Based on the level of adjusted FAD achieved, potential bonus payments for 2010 performance could range from 50% to 150% of the target level.

In March 2011, the Compensation Committee reviewed the company's performance against the company criteria and concluded that management had successfully accomplished the 2010 FAD target required to establish a pool for potential bonuses at the 150% level, the highest level that could be achieved under the 2010 bonus program. The Compensation Committee then considered each named executive officer's individual bonus targets at the 150% level to determine the appropriate bonus payment for 2010 performance.

The Compensation Committee's decisions with respect to 2010 compensation are discussed in detail below. To summarize the Committee's decisions:

- base salaries for all named executive officers were not increased for 2010, reflecting the Compensation Committee's view that in light of the anticipated difficult market conditions, management would be rewarded primarily for the achievement of goals for the payment of performance-based incentive compensation; as a result, 2010 base salaries for executive officers continued to be frozen for Mr. Russell at his 2006 salary, for Messrs. Petersen and Stokx at 2007 salaries and for Ms. Hawthorne at her 2008 salary;
- in March 2010, the Compensation Committee granted stock options to each of the named executive officers that vest over five years and provide value only if the company's stock price increases over the closing price on the grant date; and
- bonuses paid to the named executive officers for 2010 performance qualified for a payout at the 150% target level based on management's achievement of the targeted FAD, and individual bonuses ranged from 89.8% to 101.1% of the bonus pool based on the achievement of additional performance criteria as discussed below.

2011 Compensation Outlook

The operating environment for commercial real estate in 2011 continues to be challenging, although we believe we are well positioned to meet the challenges. Given these expectations, the Compensation Committee met in March 2011 and made the following decisions for 2011 executive officer compensation:

- executive officer base salaries were increased 10% after being frozen for several years;
- 2011 bonus target amounts are set at 100% of 2011 base salary for the 100% bonus pool potential;
- the threshold for determining the potential bonus pool is again based on achievement of targeted levels of 2011 FAD, with FAD targeted amounts to achieve a bonus pool at 100%, 150% and 200% of the target amount;
- if a targeted level of FAD is achieved, individual bonuses are paid 80% based on the FAD achieved and 20% based on subjective and leadership achievements; and
- the Compensation Committee also set goals for the payment of additional bonus amounts to Mr. Petersen and Ms. Hawthorne for the accomplishment of goals related to increasing returns at recently acquired properties.

For 2011 and future years, the Compensation Committee is considering implementation of a new multi-year long-term equity incentive plan for senior management. Additional details concerning Compensation Committee activities with respect to 2010 compensation and 2011 compensation targets, as well as information about our executive officer compensation policies and practices, are provided below.

Executive Compensation Philosophy. Our compensation goals are to hire, retain and motivate our senior management to create long-term shareholder value. We pay our named executive officers a mix of cash and long-term equity compensation that we consider appropriate in view of individual and corporate performance, competitive level, and our objective of aligning individual and shareholder interests to maximize the value of our shareholders' investments in our securities. In general, our compensation program for named executive officers consists of (1) payment of a base salary, (2) potentially, short-term incentives in the form of cash bonuses and (3) long-term incentives in the form of equity awards, which may be restricted stock units or stock options, which vest upon continued service or the achievement of defined performance goals. Annual and long-term incentive compensation for named executive officers is designed to reward achievement of company-wide performance goals by tying awards primarily to financial objectives such as FAD, growth in Net Asset Value ("NAV"), same store net operating income ("NOI") and the achievement of targeted levels of property-level returns after transactional capitalized expenditures, as well as other corporate objectives, as discussed in more detail below.

Because each component of our compensation program is designed to accomplish or reward different objectives, historically and in 2010, the Compensation Committee determined the award of each component separately. Historically and in 2010, the Compensation Committee did not retain or rely on information provided by any third-party compensation consultant in setting compensation levels and awards for our named executive officers. The Compensation Committee reviews information concerning compensation of executive officers at the Compensation Survey Companies named on page 24. However, information regarding the Compensation Survey Companies is only one factor considered by the Compensation Committee in determining the compensation paid to the named executive officers. The Compensation Committee also considers corporate, business unit and individual performance generally, and, particularly with respect to Mr. Russell's compensation, input from other Board members, including the Chairman of the Board. With respect to the compensation of the executive officers who report to Mr. Russell, the Compensation Committee also considers the recommendations of Mr. Russell.

The Compensation Committee made all final compensation decisions for named executive officers in 2010. For more information on the Compensation Committee and its responsibilities, see "Corporate Governance and Board Matters—Compensation Committee" on page 6.

Elements of Compensation

Base Salaries. Base salaries provide a base level of monthly income for our named executive officers. We believe that providing a fixed level of guaranteed cash compensation is important to allow us to attract and retain executives. We establish base salaries for named executive officers at a level so that a significant portion of the total cash compensation such executives can earn is performance-based through annual incentive compensation. As a result, base salaries may not be increased for several years.

Base salaries are set based on factors that include whether levels are competitive with the salaries for individuals with comparable experience and responsibilities at the Compensation Survey Companies, competitive conditions in the local market, an individual's performance and responsibilities and the business judgment of the members of the Compensation Committee. The factors considered also include input from other Board members, including the Chairman of the Board, particularly with respect to Mr. Russell's salary, and the recommendations of Mr. Russell for the other named executive officers. In general, the Compensation Committee reviews base salaries bi-annually for the named executive officers.

Bonuses. Our annual incentive cash bonus program provides an opportunity to reward named executive officers for the company's performance during the fiscal year, and their individual contributions to that performance and are generally based on achievement of a threshold corporate performance goal for payment of any bonus and individually established targets that determine the bonus paid to each named executive officer. These objectives may vary depending on the individual officer and his or her responsibilities, but generally relate to financial factors, primarily FAD, growth in same store NOI and the maintenance of targeted levels of property-level returns after transactional capitalized expenditures, and achievement of other operational and financial goals.

Target annual incentive bonus amounts are set for each named executive officer based on job responsibilities and typically range up to 100% of base salary for the chief executive officer and chief operating officer and lesser amounts for the other named executive officers, due to the increased responsibilities required of the chief executive and operating officers. In addition, the corporate performance objective, which sets the size of the bonus pool, is typically set at targeted levels so potential incentive bonus awards could range from zero to 200% of the targeted amount for each named executive officer. The Compensation Committee has the discretion to reduce the amount of any actual award based on those factors that the Compensation Committee considers appropriate. The Committee typically exercises this discretion to ensure that management makes decisions based on what is in the company's best interest.

Equity-Based Compensation. Equity awards of restricted stock units or stock options are long-term incentives designed to reward long-term growth in the price of and, in the case of restricted stock units, dividends paid on PS Business Parks common stock and shareholder value. Both types of equity awards help retain executives because they achieve their maximum value only if the executive continues to be employed by PS Business Parks for a period of years and their value is enhanced if the price of our common stock increases over the common stock price on the date of grant.

The Compensation Committee has the discretion to award executive officers restricted stock units, stock options or a mix of both. The Compensation Committee does not set awards based on a fixed weighting between stock options and restricted stock units. However, it may determine not to award stock options or restricted stock units during certain periods. For example, during 2005 through 2008, the Compensation Committee focused equity compensation for the named executive officers on awards of restricted stock units for each year and the four-year period for 2005 through 2008 under a senior management long-term equity incentive equity program. In March of 2009, senior management received restricted stock awards under that program that had been granted previously for the 2008 annual and four-year 2005- 2008 performance periods. No additional grants will be made under the program which terminated at the end of 2008. No grants of restricted stock or stock options were made to the named executive officers in 2009. The Compensation Committee is continuing to evaluate whether to approve a new long-term equity program for executive officers.

Performance-Based Restricted Stock Units and Restricted Stock

Restricted stock units and restricted stock increase in value as the value of the company's common stock and/or dividends increase and generally vest over time provided that the executive officer remains in the employ of the company. Accordingly, awards of restricted stock units or restricted stock serve the Committee's objective of retaining company executive officers and other employees and motivating them to advance the interests of the company and its shareholders. They may also offer value during difficult market conditions because they retain some value even in declining markets, which may enhance their retention value at a time when we may most need executive talent. No grants of restricted stock or restricted stock units were made to the named executive officers in 2010.

Stock Options

Stock options have value solely to the extent that the price of our common shares increases over the grant price during the term of the option. Stock options are granted with an exercise price of not less than 100% of the fair market value of our common stock on the date of grant so that the executive officer may not profit from the option unless the stock price increases. From 2006 to 2008, none of the company's named executive officers received grants of stock options because the Compensation Committee determined that the only equity awards would be of restricted stock and restricted stock units under the Senior Executives Long-Term Incentive Program for 2005-2008. Following termination of the Senior Executives Long-Term Incentive Program for 2005-2008, no additional awards of restricted stock were made to any named executive officer during 2009 or 2010.

Equity Grant Practices

Equity grants, including grants of restricted stock or units or stock options, to all executive officers, including named executive officers, must be approved by the Compensation Committee. These grants occur only at meetings of the Compensation Committee (including telephonic meetings), and such grants are made effective as of the date of the meeting or a future date, if appropriate (such as in the case of a new hire). In general, the Compensation Committee evaluates equity awards for executive officers in February or March of each year and evaluates the awards in light of performance during the preceding year. Equity awards are not timed in coordination with the release of material non-public information. The exercise price of all options granted is equal to the closing market price of our common stock on the date of grant.

Equity awards, including grants of stock options, to employees who are not executive officers may also be made by the Equity Awards Committee of the Board, which consists of two directors appointed by the Board, currently and during 2010, Messrs. Havner and Russell. These grants are made pursuant to the terms of the 2003 Stock Option and Incentive Plan and the authorization of the Board. The Equity Awards Committee acts after consideration of management's recommendations. Equity grants to non-executive officers may be made at various times during the year, but are not timed in coordination with the release of material non-public information. Awards to non-executive officers typically vest over a six-year period with vesting beginning one year following the date of grant and then in five equal annual installments.

2010 Base Salaries. The Compensation Committee typically reviews base salaries for increases bi-annually. In March 2010, the Compensation Committee considered base salaries, the anticipated business challenges for 2010 and the

recommendations of Mr. Russell and determined to not increase base salaries for the named executive officers for 2010. As a result, 2010 base salaries for executive officers continued to be frozen for Mr. Russell at his 2006 salary, for Messrs. Petersen and Stokx at 2007 salaries and for Ms. Hawthorne at her 2008 salary.

2011 Base Salaries. In March 2011, the Compensation Committee considered that base salaries had been frozen since 2008 and determined to increase base salaries for executive officers for 2011. Accordingly, Mr. Russell's base salary was set at \$467,500, Mr. Petersen's at \$330,000, Mr. Stokx's at \$247,500 and Ms. Hawthorne's at \$247,500.

Annual Bonuses for 2010 Performance. In March 2010, the Compensation Committee established the 2010 annual bonus performance targets for each of the named executive officers. After consideration of market conditions, the company's strategic goals and input from Mr. Russell and other Board members, including the Chairman of the Board, the Compensation Committee determined that 2010 bonuses would again be based on the achievement of targeted levels of FAD for the corporate component. The Compensation Committee selected FAD as the key financial metric because of its importance to both the PS Business Parks senior executive team and to investors. The Compensation Committee further determined that if the corporate 2010 FAD targets were met, individual bonuses for named executive officers would then be awarded based on achievement of divisional performance with respect to occupancy, NOI, leasing and enterprise value metrics and achievement of individual leadership and performance metrics related to each named executive officer's specific job function.

FAD is computed by adjusting consolidated Funds From Operations ("FFO") for recurring capital improvements, which the company defines as those costs incurred to maintain the assets' value, tenant improvements, lease commissions, straight-line rent, stock compensation expense, impairment charges, amortization of lease incentives and tenant improvement reimbursements, in-place lease adjustment and the impact of EITF Topic D-42. FFO is computed as net income, before depreciation, amortization, minority interest in income, gains or losses on asset dispositions and nonrecurring items. For purposes of calculating the FAD bonus target amounts, 2010 FAD was also adjusted by (1) reductions in preferred distributions due to the repurchase of preferred securities, (2) income, capital and expenses incurred in connection with asset acquisitions in 2010, (3) variance between budget and actual capital maintenance costs and (4) rental income from selected tenants.

The 2010 threshold level of adjusted FAD established by the Compensation Committee for potential awards of 100% of the targeted bonus amount for an individual was adjusted FAD exceeding \$82,764,900 but not more than \$86,500,600 (the target for 150% of the targeted bonus amount). In March 2011, the Compensation Committee determined that 2010 FAD, as adjusted under the program, was \$89,994,000. As a result, each named executive officer's potential bonus was set at 150% of target.

Since the FAD target was achieved and the maximum potential bonus payable to each named executive officer established, the Compensation Committee considered the amount of the actual incentive bonus payment for each named executive officer based on the individual's performance during the year. The Chief Executive Officer's performance was reviewed based on the Compensation Committee's assessment of his achievement of the qualitative and quantitative goals, including an adjustment based on the percentage of total bonus achieved by divisional management. The Chief Executive Officer does not participate in the deliberations of the Compensation Committee with respect to setting his compensation. With respect to the other named executive officers, the Compensation Committee considered materials prepared by the Chief Executive Officer describing the achievements of each other named executive officer with respect to the bonus performance objectives, including his recommendations with respect to qualitative and subjective factors.

The 2010 performance objectives for the named executive officers consisted of a variety of individually-specific quantitative and qualitative goals related to the operations and functions each supervises. The bonus objectives provided for adjusting a portion of the bonus paid to all the named executive officers by the percentage of total bonus achieved by divisional or functional individuals supervised by the named executive officers, and the bonus objectives for all named executive officers included leadership and other qualitative goals. The bonuses paid to divisional personnel (which do not include the named executive officers) are based on factors that include achieved occupancy levels, NOI, leasing and lease portfolio values for particular locations and regional operations for which the divisional employee is responsible. None of the goals for the named executive officers is based directly on company performance metrics, and the payment of a bonus does not depend on the achievement of any particular goal.

Divisional management bonus targets and results. As noted above, a portion of the bonus of some of the individual named executive officers reflects the bonus percentage paid to the management of the company's five operating divisions. Bonuses for the divisional managers are determined by the Chief Executive Officer in his sole discretion, after consideration of the recommendations of Mr. Petersen and Ms. Hawthorne. Mr. Russell also reviews his decisions with the Compensation

Committee. Each of the company's five operating divisions has separate targets that vary based on the geography, local markets and portfolio. The 2010 annual bonus targets for divisional managers were (1) 18% based on achieving portfolio occupancy rates ranging from 84.89% to 93.68%, (2) 18% based on achieving budgeted divisional NOI ranging from \$20.5 million to \$65.7 million, (3) 18% based on achievement of a targeted level of economic value in portfolio leases ("EVA") ranging from 7.09% to 8.54% among the divisions, (4) 18% based on achieving leasing production targets ranging from \$1.0 to \$1.4 million, (5) 18% based on transaction cost containment and (6) 10% based on the Chief Executive Officer's subjective evaluation of job performance. Actual performance at the five divisions for (1) occupancy ranged from 98.78% to 102.06% of the target, (2) 100.0% to 102.1% for divisional NOI achievements, (3) 98.36% to 104.33% of the EVA goal, (4) 93.12% to 134.2% for leasing production, (5) 49.0% to 94.6% for transaction cost control and (4) 67.5% to 95% based on a subjective evaluation of performance. The weighted average of combined divisional performance bonus payout for 2010 was 100.1%.

Named executive officer individual targets and results. At the beginning of 2010, the Compensation Committee approved the individual bonus criteria and target payout amounts. In early 2011, the amount of each named executive officer's bonus paid was determined by multiplying the portion of each named executive officer's target bonus that was attributable to each performance criterion by the extent to which the committee deemed that factor was achieved, expressed as a percentage. The committee did not otherwise exercise discretion to increase or reduce amounts paid for 2010 performance. The criteria and results for each named executive officer in 2010 are described below.

Joseph D. Russell, Jr. Mr. Russell's 2010 bonus potential was \$637,500. His bonus for 2010 was calculated based on achievement of the following goals: (1) 50% based on the weighted average divisional bonus payout, which was 100% for 2010, resulting in a payout amount of \$318,750; (2) 10% based on the performance of the bonus achievement of the Finance Department senior management which was 97.8% achieved for 2010, resulting in a payout amount of \$62,348; (3) 10% based on achievement of an NAV goal that 2010 NAV decline by less than 3.75% over 2009, which was not achieved for 2010; and (4) 30% based on the Compensation Committee's subjective assessment of his leadership and value creation during 2010, which the Compensation Committee determined was 100% achieved for 2010, resulting in a payout amount of \$191,250. Based on the foregoing, Mr. Russell's total 2010 bonus payment was \$572,348 (89.8% of target.)

John W. Petersen. Mr. Petersen's 2010 bonus potential was \$450,000. His bonus for 2010 was calculated based on achievement of the following goals: (1) 70% based on the weighted average divisional bonus payout, which was 100% achieved for 2010, resulting in a payout amount of \$315,000; and (2) 30% based on a subjective evaluation of Mr. Peterson's leadership achievements, which the Committee determined was 88% achieved, resulting in a payout of \$118,575. Based on the foregoing, Mr. Petersen's total 2010 bonus was \$433,575 (96.3% of target).

Edward A. Stokx. Mr. Stokx' 2010 bonus potential was \$300,000. His bonus for 2010 was calculated based on achievement of the following goals: (1) 40% based on the weighted average divisional bonus payout, which was 100% achieved for 2010, resulting in a payout amount of \$120,000; (2) 20% based on achievement of operational and cost cutting objectives, which the Compensation Committee determined was 95.7% achieved for a payout of \$57,425; (3) 15% based on a subjective evaluation of Mr. Stokx activities to manage business risks related to customer payments, which the Committee determined was 94% achieved for a payout of \$42,500; (4) 10% based on a subjective evaluation of Mr. Stokx' leadership and team development during 2010, which the Committee determined was 91.8% achieved, resulting in a payout of \$27,540; and (5) 15% based on a subjective evaluation of the achievement of investor outreach goals, which the Committee determined was 96.25% achieved for a payout of \$43,312. Based on the foregoing, Mr. Stokx' total 2010 bonus was \$290,777 (96.9% of target).

Maria R. Hawthorne. Ms. Hawthorne's 2010 bonus potential was \$262,500. Her bonus for 2010 was calculated based on achievement of the following goals: (1) 70% based on the average percentage of target bonus paid to the divisional management for the Washington metro and Southeast divisions, which was 108% for 2010, resulting in a payout of \$198,030; and (2) 30% based on a subjective evaluation of her leadership measurements and job performance, which the Committee determined was 86% achieved, resulting in a payout of \$67,525. Based on the foregoing, Ms. Hawthorne's total 2010 bonus was \$265,555 (101.1% of target).

2011 Executive Officer Annual Cash Bonus Performance Targets. In March 2011, the Compensation Committee established the 2011 annual bonus performance targets for each of the named executive officers. After consideration of market conditions, the company's strategic goals and input from Mr. Russell and other Board members, the Compensation Committee determined that, as was the case for 2010, 2011 bonuses would again be based on the achievement of targeted levels of FAD for the corporate component, adjusted for reductions or increases in preferred distributions related to the repurchase or issuance, respectively, of preferred securities and for income, capital and expenses incurred in connection with property acquisitions and dispositions. The Compensation Committee established three designated FAD levels for payment

of 100%, 150% or 200% of the bonus target amount depending on the level of FAD achieved. The Compensation Committee selected FAD as the key financial metric because of its importance to both the PS Business Parks senior executive team and to investors.

If the corporate FAD targets are met for 2011 and the size of the bonus pool is set, individual bonuses for all named executive officers will be awarded 80% based on the FAD level achieved and 20% based on leadership and other subjective measures. The Compensation Committee considers achievement of the bonus targets to be challenging, but achievable.

The Committee also determined bonus target amounts for achievement of the FAD level required for payment of a 100% bonus for 2011 performance for Mr. Russell of \$467,500, for Mr. Petersen of \$330,000, for Mr. Stokx of \$247,500 and for Ms. Hawthorne of \$247,500. As noted previously, FAD levels for payment of 150% and 200% of the bonus target amount were also established as part of the 2011 performance bonus program, which would adjust the target bonus amount paid by 150% or 200%, respectively, if those levels were achieved.

2010 Long-Term Equity Compensation. In March 2010, the Compensation Committee determined that grants of stock options would be the optimal incentive to retain, motivate and reward named executive officers during the anticipated challenging environment for commercial real estate in 2010. As a result, the Compensation Committee granted stock options to the named executive officers in the following amounts: Joseph D. Russell, Jr., 65,000 shares; John Petersen, 45,000 shares; Edward A. Stokx, 35,000 shares; and Maria R. Hawthorne, 40,000 shares. The stock options vest in equal annual installments over five years and have a ten-year term.

PS Business Parks Executive Officer Stock Retention Requirements. Named executive officers are required to retain 20% of the shares of common stock of PS Business Parks previously acquired under the Senior Executives Long-Term Incentive Program for 2005-2008 for the duration of their employment by PS Business Parks.

Role of Executive Officers. In general, Mr. Russell attends all meetings of the Compensation Committee at which (1) compensation of the other named executive officers or other employees is discussed and/or (2) company-wide compensation matters, such as the consideration of new equity plans, are discussed. Mr. Russell does not vote on items before the Compensation Committee. As discussed in more detail below, the Compensation Committee solicits Mr. Russell's view on the performance of the executive officers reporting to him, including each of the other named executive officers. In general, the Compensation Committee sets the compensation for the other named executive officers after consideration of the recommendations prepared by Mr. Russell with respect to appropriate amounts to reward and incentivize each named executive officer. In addition, the Compensation Committee solicits the views of the Chairman of the Board and other Board members, particularly with respect to compensation for Mr. Russell. The Compensation Committee met five times during 2010. Mr. Russell attended four of the meetings. Mr. Russell did not participate in the deliberations of the Compensation Committee with respect to setting his compensation.

Compensation Survey Companies. Each component of compensation for the named executive officers—salary, annual cash bonus and equity compensation—is based generally on the Compensation Committee's (and Mr. Russell's for each of the other named executive officers) subjective assessment of each individual's role and responsibilities, corporate and individual achievements and consideration of market compensation rates. Market compensation rates are considered by the Compensation Committee in determining compensation levels. However, we do not "benchmark" or specifically target certain levels of compensation. For the named executive officers, the Compensation Committee primarily determines market compensation rates by reviewing public disclosures of compensation paid to senior executive officers at other office and industrial companies with a total market capitalization that the Compensation Committee deems comparable (the "Compensation Survey Companies"). In 2010, the Compensation Survey Companies were:

- Alexandria Real Estate Equities, Inc.
- AMB Property Corp.
- BioMed Realty Trust
- Boston Properties Inc.
- Brandywine Realty Trust
- Corporate Office Properties Trust
- DCT Industrial Trust Inc.
- Douglas Emmett, Inc.
- Duke Realty Corp.
- EastGroup Properties, Inc.
- First Industrial Realty Trust, Inc.
- Franklin Street Properties Corp.
- Highwoods Properties, Inc.
- Kilroy Realty Corporation
- Liberty Property Trust
- Maguire Properties, Inc.
- Mission West Properties, Inc.
- ProLogis
- SL Green Realty Corp.

As discussed above, the information regarding the Compensation Survey Companies is only one factor considered by the Compensation Committee in determining the compensation paid to the named executive officers. The Compensation Committee also considers corporate, business unit and individual performance and the views of other Board members, including the Chairman, as well as the recommendations of Mr. Russell with respect to compensation of the other named executive officers.

Tax and Accounting Considerations--Code Section 162(m). Section 162(m) of the Code imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to each of the chief executive officer and three other highest paid employees of a publicly-held corporation (other than the chief financial officer). Certain performance-based compensation awarded under a plan approved by shareholders is excluded from that limitation, as is certain compensation paid by a partnership, such as PS Business Parks, L.P. (the "Operating Partnership"). Most of our employees and all of our named executive officers are employed by the Operating Partnership. As a result, we do not believe the provisions of Section 162(m) apply to compensation for our named executive officers, who are employees of the Operating Partnership. However, our Performance-Based Plan approved by shareholders in 2006 (the "2006 Plan") is designed to permit the Compensation Committee to make awards that qualify for deduction as performance-based compensation consistent with the requirements of Section 162(m).

For option awards, the number is calculated by multiplying the Black-Sholes value determined as of the date of grant by the number of options awarded. Stock awards receive dividends as and when and at the same rate paid to all common shareholders of PS Business Parks.
- (3) Options granted to Messrs. Russell, Petersen, Stokx and Ms. Hawthorne become exercisable in five equal installments beginning on the first anniversary of the date of grant.

The following table sets forth certain information concerning outstanding equity awards held by the named executive officers at December 31, 2010.

PENSION/NONQUALIFIED DEFERRED COMPENSATION PLANS

We do not maintain a pension plan or deferred compensation plan for any of our employees, including the named executive officers.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Payments Upon Termination

We do not have a formal severance or retirement program for payments on termination of employment through voluntary or involuntary termination, other than as specifically set forth in the company's Performance-Based Compensation Plan, 2003 Plan, 401(k)/Profit Sharing Plan or as required by law. These include:

- vested stock options following a voluntary termination of employment must be exercised within 30 days following the individual's last date of employment;
- amounts contributed under our 401(k)/Profit Sharing Plan; and
- accrued and unused vacation pay paid in a lump sum.

Payments Upon Death or Disability

In the event of the death or permanent and total disability of a named executive officer while employed by the company, the executive officer will receive 401(k)/Profit Sharing Plan contributions noted above and accrued unused vacation pay, in addition to the following:

- All unvested outstanding stock options held by the officer accelerate and vest as of the date of death and may be exercised during the one-year period following the date of death, but prior to termination of the option;
- All outstanding unvested stock options and restricted stock units held by the officer continue to vest and are exercisable during the one-year period following the date of such permanent and total disability, but prior to termination of the option; and
- The officer will receive payments under the company's life insurance program or disability plan, as applicable, similar to all other employees of the company.

Payments Upon a Change of Control

The company's 2003 Plan provides that upon the occurrence of a "change of control" of the company:

- all outstanding unvested restricted stock units and restricted stock grants will vest immediately; and
- all outstanding unvested stock options vest 15 days before consummation of such a change of control and are exercisable during such 15-day period, with such exercise conditioned upon and effective immediately before consummation of the change of control.

A "change of control" is defined in the 2003 Plan to include:

- the dissolution or liquidation of the company or a merger in which the company does not survive,
- the sale of substantially all the company's assets, or
- any transaction which results in any person or entity, other than B. Wayne Hughes and members of his family and their affiliates, owning 50% or more of the combined voting power of all classes of our stock.

The foregoing provisions do not apply to the extent (1) provision is made in writing in connection with the "change of control" for continuation of the 2003 Plan or substitution of new options, restricted stock and restricted stock units or (2) a majority of the Board determines that the "change of control" will not trigger application of the foregoing provisions.

The following table shows the estimated value of the acceleration of equity awards pursuant to the termination events described above assuming the change of control event occurred as of December 31, 2010 and assuming a closing market price of our common stock on such date of \$55.72.

- (2) Represents the number of restricted stock units multiplied by the closing price of the company's common stock on the New York Stock Exchange on December 31, 2010.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing shareholders an advisory vote on executive compensation. The advisory vote on compensation is a non-binding vote on the compensation of our named executive officers as described in this proxy statement in the Compensation Discussion and Analysis section, the tabular disclosure regarding such compensation and the company's accompanying narrative disclosure.

As discussed below, in 2010, the PS Business Parks' senior management team achieved solid shareholder total returns, grew occupancy and maintained our conservative capital structure, while completing significant acquisitions that position us for future growth. Based on these accomplishments, your Board recommends that you vote to approve our compensation program for executive officers.

The company's goal for our executive compensation program is to hire, retain and motivate our senior management to create long-term value. We believe that our compensation programs have been very effective in creating long-term value for shareholders. For fiscal 2010, PS Business Parks' total shareholder return was a solid 14.9% in the face of challenging market conditions for commercial real estate owners and operators. Despite these challenging times, we improved the occupancy of our same park facilities from 90.4% to 91.5% and leased over 6.1 million square feet. We added another 2.3 million square feet to our portfolio in 2010 through property acquisitions that position us for future growth. And we accomplished these achievements while maintaining a conservative balance sheet that resulted in an upgrade to our credit rating.

Even with our solid results for 2010, we believe our compensation practices have been conservative relative to our peers. During 2010, the Compensation Committee continued to hold senior executive salaries flat at 2008 levels. This reflected the Compensation Committee's view that a substantial portion of executive compensation should be incentive compensation that is paid solely upon the achievement of performance goals designed to drive company growth. Accordingly, the Compensation Committee tied cash bonus payments to the achievement of targeted levels of FAD as well as a multitude of property and divisional level metrics designed to minimize business declines in challenging economic times and position the company for growth as the economy improves. As discussed in the Compensation Discussion and Analysis section, even in the face of continued economic headwinds in 2010, management successfully achieved the FAD target for payment of bonuses at the 150% level that was set early in the year.

In summary, compensation actions in 2010 for executive officers included:

- 2010 base salaries for executive officers continued to be frozen for Mr. Russell at his 2006 salary, for Messrs. Petersen and Stokx at their respective 2007 salaries and for Ms. Hawthorne at her 2008 salary;
- bonuses were paid at 150% of target based on management's achievement of FAD goals set at the beginning of 2010; and
- the only equity awards to senior management were stock options, which vest over 5 years and have value only if the price of PS Business Parks common stock increases on the date of exercise over the grant price.

We believe our compensation program for executive officers helps drive our strong performance. Our shareholders were rewarded in 2010 for our achievements, and your Board believes management should be fairly compensated as well. Based on our solid financial and operational performance and total return for shareholders in 2010, your Board concluded that our executive compensation program should be approved by shareholders and asks you to approve the following resolution:

“RESOLVED, that the compensation paid to the company's named executive officers, as disclosed pursuant to the rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

The vote on our executive compensation programs is advisory and nonbinding on the company. However, the Compensation Committee, which is responsible for designing and administering the company's executive compensation program, values the opinions expressed by the company's shareholders and will consider the outcome of the vote when making future compensation decisions.

Your Board of Directors recommends that you vote “FOR” approval of the compensation of our named executive officers.

PROPOSAL 4

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

As described above in Proposal 3, this year we are providing shareholders with an advisory vote on the compensation of our named executive officers. This Proposal 4 provides shareholders with an advisory vote on how often to hold the advisory shareholder vote to approve executive compensation. Under this proposal, shareholders may vote to hold the vote on executive compensation every one, two or three years. Alternatively, shareholders may abstain from voting.

Your Board of Directors believes that a frequency of every three years for the advisory vote on executive compensation best achieves the objectives of the vote to approve the compensation of the named executive officers by aligning the shareholder vote with a focus on long-term results in our executive pay programs. A vote every three years provides shareholders with sufficient time to evaluate the effectiveness of our compensation philosophy, policies and practices in the context of our long-term business and financial results for the period, while avoiding a focus on short-term results that may distract management from its long-term goals. A vote every three years also provides management with sufficient time to address any concerns about the company's compensation programs that shareholders may express. Shareholders with concerns about our compensation programs for executive officers are encouraged to raise them at any time, not just at the time of a formal vote.

This vote is advisory and not binding on the Board of Directors. However, the Compensation Committee and your Board value shareholder feedback and will consider the outcome of the vote in making decisions on the frequency of future advisory votes on executive compensation. Please note that you are being asked to vote on one of the three choices presented, and you are not being asked to vote to approve or disapprove the Board's recommendation.

Your Board of Directors recommends that you vote for the option of every "THREE YEARS" for future advisory votes on executive compensation.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transaction Approval Policies and Procedures. With respect to transactions involving our directors, our Director Code of Ethics provides for review by the Board of related party transactions that might present a possible conflict of interest. The Nominating/Corporate Governance Committee of the Board reviews related party transactions involving Board members pursuant to the Directors' Code of Ethics. Directors are requested to submit information in advance to the Nominating/Corporate Governance Committee. The Committee considers the matters submitted to it and makes a recommendation to the Board with respect to any action to be taken. The director with an actual, potential or apparent conflict of interest does not participate in the decision-making process related to the transaction.

Our executive officers are subject to our company-wide Business Conduct Standards ("BCS"). Under the BCS, executive officers are required to discuss and seek pre-approval of the Chief Executive Officer of any potential conflicts of interest. In addition, the Audit Committee reviews, on an ongoing basis, related party transactions involving our executive officers and directors or Public Storage that may require Board pre-approval under applicable law or may be required to be disclosed in our financial statements.

Relationship with Public Storage. The properties in which the company has an equity interest are generally owned by the Operating Partnership. As of March 1, 2011, the company owned approximately 77.2% of the Operating Partnership's common partnership units. The remaining common partnership units were owned by Public Storage. The 7,305,355 units of limited partnership interest in the Operating Partnership held by Public Storage and affiliated partnerships are redeemable (pursuant to the terms of the agreement of limited partnership of PS Business Parks, L.P.) by the holder for cash or, at the company's election, for shares of the company's common stock on a one-for-one basis. Upon conversion of the units to common stock of the company, Public Storage and its affiliated partnerships would own 41.0% of the common stock (based upon the common stock outstanding at March 1, 2011 and assuming such conversion).

Management Agreement with Affiliates. The Operating Partnership operates industrial, retail and office facilities for Public Storage and partnerships and joint ventures of which Public Storage is a general partner or joint venturer ("Affiliated Entities") pursuant to a management agreement under which Public Storage and the Affiliated Entities pay to the Operating Partnership a fee of 5% of the gross revenues of the facilities operated for Public Storage and the Affiliated Entities. During 2010, Public Storage and the Affiliated Entities paid fees of \$672,000 to the Operating Partnership pursuant

to that management agreement. As to facilities directly owned by Public Storage, the management agreement has a seven-year term with the term being automatically extended for one year on each anniversary date (thereby maintaining a seven-year term) unless either party (Public Storage or the Operating Partnership) notifies the other that the management agreement is not being extended, in which case it expires, as to such facilities, on the first anniversary of its then scheduled expiration date. As to facilities owned by the Affiliated Entities, the management agreement may be terminated as to such facilities upon 60 days' notice by Public Storage (on behalf of the Affiliated Entity) and upon seven years' notice by the Operating Partnership.

In December 2006, Public Storage began providing property management services for the mini storage component of two assets owned by the company. These mini storage facilities, located in Palm Beach County, Florida, operate under the "Public Storage" name. Under the property management contracts, Public Storage is compensated based on a percentage of the gross revenues of the facilities managed. Under the supervision of the company, Public Storage coordinates rental policies, rent collections, marketing activities, the purchase of equipment and supplies, maintenance activities and the selection and engagement of vendors, suppliers and independent contractors. In addition, Public Storage assists and advises the Company in establishing policies for the hire, discharge and supervision of employees for the operation of these facilities, including on-site managers, assistant managers and associate managers. Both the company and Public Storage can cancel the property management contract upon 60 days' notice.
