WE STAND TOGETHER

UPDATED JUNE 2020

In light of our current national and global environment, we want to make sure there is no uncertainty in PS Business Parks' values and position on the current crisis.

We stand with our Black colleagues and the Black community against racism, violence, and intolerance of any kind. We believe that everyone has the right to be treated equally and with dignity and respect, no exceptions. PSB strives to diversify its team, as we know and understand that diversity is critical to success. Our team members across the nation are from all different races, backgrounds, and walks of life; all making their own valuable contributions. We celebrate inclusion and value the diversity each person contributes. We stand with and support our employees and our fellow national and global citizens in the monumental movement against systemic racism, injustice and inequality, and violence.
